

# Power of Prayer

## Sisters Count on Support

Dear Friend,

When Father Samuel Mazzuchelli, OP, founded the Dominican Sisters of Sinsinawa in 1847, he and the first Sisters were steeped in prayer. We continue this tradition today. Why? We believe in a compassionate God and the power of prayer to heal and provide support. You—our friends, students, and relatives—have let us know time and time again that our prayer makes a difference in your lives. Our bond with you is deep, rich, and enduring. It is expressed through love and prayer for one another. **Click here to submit a prayer request.**

Just as you count on us, we, too, count on you. Your prayer and financial contributions sustain us in our ministry and retirement needs. **Online donations can be made at [www.sinsinawa.org/donate](http://www.sinsinawa.org/donate).** Thank you.

We hold you in prayer daily.

Gratefully,

Sister Toni Harris, OP  
Prioress of the Congregation
