Providing for Future Sisters

Sinsinawa Dominicans are blessed with women continuing to answer God's call to religious life. After six years of formation, Sister Kathy Flynn, OP (cover, left), made her perpetual profession in December 2018 and is now a lifetime member of the Congregation. Four more women are also answering the call to religious life (see back panel). These women are a gift to the Congregation. Your gift helps provide for their religious formation.

The support received while becoming a Dominican Sister of Sinsinawa was critical for Sr. Kathy. "Being supported is like being held. It's like floating in waves. I am grateful for the generosity of our donors." Please click here to help us provide for our women in formation as they answer God's call to preach and teach the Gospel. Thank you.

In the past year, more than **30 women** have inquired about religious life as a Sinsinawa Dominican Sister.

In the last 2 years, **13 women** attended our retreat to explore religious life.

In the past 6 years, **6 women** have entered our Congregation.

Daily, over **400 Sinsinawa Dominican Sisters** have been praying for these and future vocations!
